MESSAGE FROM YOUR PRESIDENT

Becky Mauldin • Club President

Fall is the season of change and it is great to see the club changing not only for the season, but making needed improvements that give value to your membership. Over the past several years many capital improvements have been made that add value to your membership. While being too numerous to name, we have covered all aspects of the club from golf to tennis, marina to the club house. We have continued to reduce our debt service which remains our priority. Our membership continues to grow and our new families are bringing new life into the club. We are making sure that there are year round activities with our focus on “every age and stage at Turtle Point.” We continue to embrace our traditions, yet are moving toward the future so that generations to come will still be enjoying Turtle Point. (1104)

Serving as President for the past two years has given me the opportunity to see what an outstanding club we have to enjoy. The facility can compete with any other club in the region and the staff is capable of anything. The dedication of members like you have enabled the club to be what it is today. Thank you. It has been a pleasure to serve.

Summer is coming to a close here at the club again and it has been a great season. We have plenty of events moving forward into the fall to keep the club feeling lively. In October, we will be having a Lunch and Learn cooking demo, Steak at the Lake, and we have Saturday BBQ takeout!

We will also be working on a Fall menu change in the next few weeks here in the kitchen. In November, in addition to our Thanksgiving Day Buffet, we will be offering our Take Home Family Style Meals once again. So, be on the lookout for information on those.

Oh my! It’s fall. The leaves on the trees are beginning to turn bright orange. The sunset also is bright with beautiful colors of red and orange. What a great time to have that last minute party or gathering.

Just a reminder: Thanksgiving is coming up soon. It’s not too early to make reservations if you like a special room for your guests. Also we will be doing Thanksgiving meals to go again this year with pick up on Wednesday November 22, 2017.

For all of your special events please give Ms. Altha a call.

Take a break away from your busy schedules and come out to the Club to enjoy fall and all its beauty with the best view in North Alabama.

I will be hosting a New Member Social planned for Friday, October 27th from 5:30pm until 7pm. All of our New Members that have joined this year 2017 and Sponsors are invited and encouraged to attend. And if you know anyone interested in joining please invite them as a guest to attend as well. You will receive invitations for this event to RSVP. I am excited and looking forward to a wonderful evening!

Be sure to mark your calendars for the many fun upcoming events this season.

We have hidden two different member numbers in this Voice of the Turtle. Be the lucky one to find your number and call me to receive your prize!

Thank you for the opportunity to serve you!
POOL AND WELLNESS

WELLNESS

Fall is in the air and time for a new fitness routine. Try varying your workouts by adding walking, jogging, cardio tennis or pickleball.

- **Walk** with a group on Wednesday and Fridays at 8:30 am. Text Peggy Claiborne at 256-627-8965 to let her know that you will be walking.

- **Walking/Jogging** - starting October 1st you can come out to the golf course and walk or jog the front 9 holes (2.6 miles) before 8:00 am or the back 9 holes (2.3 miles) before 8:30 am, Tuesday through Sunday. The cart path will be marked with a green or blue turtle. If you would like a guide call Peggy Claiborne at 256-627-8965.

- **Cardio Tennis** - Tuesdays and Friday mornings at 9:00 am. Text Mike Claiborne at 256-810-3789.

- **Pickleball** - Wednesdays at 6:00 pm. $10/person or $20/Family. This is the fastest growing sport in the US. Come try it out!

COMMUNICATIONS

Now that the pool season is over, I will be working with communications at the club. I will be reaching out to members to make sure I have accurate emails and cell phone numbers. I will also be sending out bi-weekly email, and updating Facebook and Instagram to keep members informed on upcoming events.

In order to enhance our communication to our members at Turtle Point we will be introducing an optional **text messaging** program. (83)

- Club members can receive information about things happening at the club and exclusive promotions offered in our sports areas and dining venues.
- Management and Staff have the capability to reach out to our membership in case of an emergency or closure at the club.
- Text TPYCC to 71441

Other ways to find out what is happening at Turtle Point:

- Facebook
- Instagram

If you currently do not receive the weekly emails and would like to be added to the list please email me at pclaiborne@tpycc.org.

BUILD YOUR OWN BOAT RACE!

**CONGRATULATIONS TO**

Matthew and Trey Kerl for their great boat that they built.

The pool will remain open Tuesday - Sunday
10:00 am - 8:00 pm without a lifeguard.
Swim at your own risk.
The Tiki Bar will be open on Sundays from 12:00 - 7:00 pm
FROM THE MANAGER Mark Grisham • General Manager

Summer is coming to an end – and what a great summer we have had here at Turtle Point! The energy and the vibe of everyone on the lake, on the course, on the courts, and in the pool was amazing. It has always been my goal to create a fun and inviting environment for people to have a great time and this summer has been a highlight of my career – thank you. With a net positive of 22 new members over the past year and the addition of great staff and new activities, it feels like we got a shot of adrenaline at the club. But just because summer is almost over it doesn’t mean that we are going to close up shop and hibernate until next year. We have a full calendar of fun events planned for the Fall and we are going to continue having the pool open as long as weather allows for “swim at your own risk” during the week and on Sundays we will have the Tiki Bar and service staff there to take care of our Mandatory Sunday members.

Football season is always hard to compete with, so I don’t even try. Instead we embrace the season and have our BIG SCREEN set up on the front lawn every Saturday evening that weather allows for our football fans that don’t want to fight the crowds and traffic. You are welcome to have dinner alfresco, or come out after dinner and have a libation and enjoy the game.

Before the next Voice of the Turtle comes out we will have a new Board President and 4 new members. I would like to thank Becky Mauldin for her vision and leadership as our president over the past 2 years. As the first female president at Turtle Point she has defiantly set the standard high for the generations to follow. I also want to take this opportunity to thank our Board members that are completing their 4 year stint: Bob Cox, James Mallette, Gary Hill, and Jeff Lawson. It is a huge commitment, and sometimes a thankless task, to serve on the Club’s Board and I appreciate all they do to help ensure Turtle Point is in a better place than when they started.

As always if there is anything I can do for you please don’t hesitate to call.

SUPERINTENDENT’S REPORT

Glen Junkin, GCS • Golf Course Superintendent

It’s hard to believe that summer is almost over and school is back in session. It seems like summer just started! With the arrival of September we start thinking about overseeding our fescue and preparing our bermudagrass for the winter. We always overseed the 3rd week of September and sometime in September we usually put down a good fall fertilizer with a large amount of potassium to help the plant prepare itself for winter. This is also the time to start thinking about fall pre-emerge for winter annuals if you are growing warm season grasses. Here at the club we have to start thinking about spring dead spot control as well. So although you would think things would start to slow down a little this time of year, there are many things we will be doing to keep the course in great condition for next season. As always please obey the cart rules and fix your ball marks. Hope to see you on the course soon.
